**Re: Trusses for:**

(Reference Number[s] of project)

(Name of project)

(Address of project)

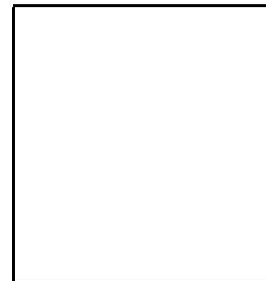

(Legal Description of Project)

**I hereby give assurance that:**

- (a) The plated wood trusses substantially comply in all material respects to the specifications on the sealed truss designs as follows:
  
- (b) Installation is in general conformance with the layout drawings.
- (c) All permanent bracing is installed.
- (d) I have fulfilled my obligation for field review of the trusses.
- (e) I am a Professional Engineer registered in the Province of British Columbia.

(Name) Please Print

(Signature)

- I am a member of \_\_\_\_\_ and sign this letter on behalf of the firm.
- These trusses have been manufactured by \_\_\_\_\_ which is a W.W.T.A.B.C. Quality Audited Plant.
